## Tilt and Turn Scooter

- 3 wheel scooter designed to reflect the classic toy
- 3 Wheel construction is easy and fun to ride

**Fisher-Price**

## Corn Popper Scooter

**The classic Corn Popper Walker has evolved into a ride-on scooter! From learning to walk to learning to ride, this scooter will encourage your kids to keep moving.**

Exciting popping sounds and actions happen automatically as your child rides this scooter. A switch on the bottom of this scooter allows you, the parent, to turn to popping sound and action on or off. This is a stable, safe and fun scooter for your child!

- Balls Pop Up as Kids Push the Scooter
- Popping Can be Turned On/Off
- 3 Wheel Scooter so Easy to Learn
